OBJECTIVE

Flexible, positive, and responsible, seeking full time employment that allows me to build on the skills I learned from Kwantlen Polytechnic University and Surrey School District Carpentry Program. Able to work independently and as a team with high attention to detail and quality workmanship.

SKILLS

- Window trim and finishing
- Drywall+mudding and taping
- Safety on site
- Confidence on power tools
- Exterior siding

EDUCATION

Kwantlen Polytechnic University Carpentry District Program Feb 2024 – Current

In partnership with Surrey School District #36

Level 1 Technical Training in Carpentry – Frank Hurt Secondary or Surrey Schools

- Completed comprehensive training in basic carpentry techniques and tools.
- Acquired skills in blueprint reading, material selection, and fundamental construction methods.
- Gained hands-on experience in woodworking, framing, and installation practices.
- Demonstrated proficiency in safety protocols and industry standards.

Panorama Ridge Secondary School Sep 2021 – Current

- On the way to graduate with Dogwood Diploma in June 2025

WORK EXPERIENCE
