

## **TIANNA WALKUS**

1430 Cliffe Crescent. Campbell River BC

Phone: 250-230-7159

Email: twalkus13@icloud.com

I am looking for a full time position where I can obtain my apprentice hours as I am finishing my Welder Foundation Harmonized – level 1 program at North Island College on August 9, 2024. My end goal is to become a Red Seal Welder.

I am familiar with safety practices and work procedures in an industrial environment. I am willing and able to obtain any security level clearances required.

I have experience with:

- Oxy fuel gas cutting
- Oxy fuel welding
- Brazing
- Arc air gouging
- Plasma arc cutting
- Shielded metal arc welding (SMAW)
- Gas metal arc welding (GMAW)
- Gas tungsten arc welding (GTAW)
- Flux core arc welding (FCAW)
- Metal core arc welding (MCAW)
- 

I have worked with steel, stainless steel, and aluminum

Skills:

- Organized
- Reliable
- Responsible
- Active
- Works well independently or with others
- Quick and eager to learn

Other Qualifications

- Graduated Port Hardy Secondary School 2019
- Year 1 completed - Mckendree University for General Studies
- WHIMIS
- Emergency First Aid – Canadian Red Cross
- Class 5 BC Drivers license
