EXPERIENCE

CONSTRUCTION HELPER

In private construction sites at Dakar (March 2016 to October 2023)

- Assisted skilled tradespeople in various construction tasks.
- Maintained a clean and safe work environment by adhering to safety regulations and guidelines.
- Loaded and unloaded materials, ensuring that supplies were organized and readily accessible.
- Operated basic construction tools and equipment under supervision.

DAYLY LABORER

In many construction sites and in public works at Dakar (January 2011 to Dec. 2015)

- Supported the construction team by performing physical tasks such as digging trenches and pouring concrete.
- Helped with site preparation and cleanup, ensuring efficient workflow on job sites.
- Helped with street clearing for road repairs.
- Helped clean the streets of the neighborhoods.

EDUCATION

Baccalaureate Serie S2, Experimental sciences (July 2009)

Private school “La Maieutique”. Rating: Fair
