---

Experienced in Agile methodologies, Continuous Integration/Continuous Deployment (CI/CD) processes, adept at developing, managing, designing, and testing front-end cross-platform applications for client-facing software. Proficient in implementing robust user features and conducting meticulous code reviews to ensure quality code, strong communication skills and a collaborative mindset.

## SKILLS

---

React.js • TypeScript • PHP • JavaScript • Continuous Integration and Continuous Delivery (CI/CD) • Jenkins • React Native • Redux • Django • Test Driven Development • Swift • Python • Communication • Data Collection • Database Management

## EXPERIENCE

---

### SOFTWARE DEVELOPER

Vancouver, BC

GB Group Creative Inc.

*Oct 2017 - Present*

- Developed backend systems using Python for all websites and web applications for clients.
- Created HTTP-based RESTful APIs using Django and PostgreSQL.
- Updated and maintained DNS records.

### SOFTWARE DEVELOPER

Vancouver, BC

Alianza, Inc.

*Mar 2021 - Nov 2023*

- Developed, deployed, and maintained a cross-platform Voice over Internet Protocol (VoIP) application using React and React Native with Redux and TypeScript, serving over 300 B2B users.
- Streamlined the development workflow through the implementation of Continuous Integration/Continuous Deployment (CI/CD) practices.
- Designed and implemented calling features, integrating native Android telecom and iOS CallKit libraries.
- Collaborated closely with the UX/UI team to ensure the translation of Figma designs into a seamless and intuitive user experience.
- Contribute to the training of teammates in CI/CD processes for builds from the client portal and processes related to registering certificates and profiles with Apple Developer.

### JUNIOR SOFTWARE DEVELOPER

Vancouver, BC

CounterPath Technologies Inc. a part of Alianza, Inc.

*Aug 2018 - Feb 2021*

- Collaborated with core development teams to enhance in house branding portal used by over 200 B2B clients, utilizing PHP and JavaScript.
- Implemented Continuous Integration/Continuous Deployment (CI/CD) practices to ensure seamless alignment of the branding portal with release updates while preserving essential customizations to meet mobile app specifications.
- Played an active role in automating builds for the VoIP application using Jenkins, optimizing the development pipeline for efficiency.
- Catered to the unique needs of a diverse customer base, contributing to the delivery of a high-quality VoIP app on iOS.
- Actively contributed to the registration of certificates and profiles as well as submission of VoIP app to Apple Developer.

## **JUNIOR IOS DEVELOPER**

Vancouver, BC

Coinage Technology Inc.

*Jan 2018 - Aug 2018*

- Contributed to mobile development in Swift for a cryptocurrency trading application.
- Implemented a maintainable Model-View-Controller (MVC) architecture by strategically decoupling the ViewController from Storyboard for improved code flexibility and reusability.
- Worked with web team to consume REST and web socket APIs.
- Utilized Firebase for efficient data management and analytics, enhancing overall application performance.

## **ADMINISTRATIVE ASSISTANT**

Vancouver, BC

Form Real Estate Advisors Inc. (acquired by Marcus & Millichap Inc. October 2019)

*Aug 2013 - Jan 2017*

- Optimized property and client data pipeline through Apto/Salesforce Customer Relationship Management (CRM) for more precise deal tracking, concurrently streamlining accounting processes for accurate financial data management improvement by 30 percent.
- Prepared legal documents including contracts and amendments, compiled property comparables and title searches for brokers.
- Collaborated with multiple teams on surveying and marketing materials for various properties for sale/lease.
- Provided office assistance, greeting clients in person or on the phone, maintaining office appearance, restocking office equipment and supplies, schedule office room bookings, and assist in file maintenance.

## **EDUCATION**

---

### **IOS DEVELOPMENT**

Lighthouse Labs

Vancouver, BC

### **BACHELOR OF COMMERCE (B. COMM, HONS), HUMAN RESOURCES MANAGEMENT AND MARKETING**

University of Manitoba

Winnipeg, MB

### **BACHELOR OF SCIENCE (B.S.), GENERAL SCIENCE**

University of Manitoba

Winnipeg, MB
